## PO and COs Statements

### EVALUATION OF ATTAINMENT OF POs, PSOs AND COs

The Evaluation of Attainment of Programme Outcomes, Programme Specific Outcomes and Course Outcomes, at college level, is done through Direct Method (Result Analysis) & Indirect Method (Student's feedback.) which helps to improve the education quality of the college.

#### Direct method:

The set program outcomes, course outcomes and programme specific outcomes are gathered for different courses, and then calculations are done for measuring attainment of the outcomes and represented in result analysis of every department. other ways are also used to measure attainment of outcomes such as Collecting evidences on students learning directly, work submitted by students, skills, demonstration, attitude etc.

The attainment of outcomes is calculated by using the following ways.

Attainment of POs PSOs & COs at UG level:

Attainment level in university examination	70%
Attainment level in internal examination	30%

**Table 1: Direct Assessment tool used for COs attainment**

Sr. No.	Direct Assessment Method	Assessment frequency	Description
1.	Internal Assessment Test	Once in a Semester	The Internal Assessment marks in a theory paper shall be based on one test generally conducted at the middle of each semester. It is a metric used to continuously assess the attainment of course outcomes.

			provide in-depth coverage of selected topics from the core courses. The students are directed to complete the Assignments and Tutorials after a topic is taught and discussed in the class by the respective Teacher. The students are informed to submit those in a stipulated time and are checked by the subject teacher.
3.	End-Semester Examination	Once in a Semester	End Semester examination (theory or practical) are the metric to assess whether all the course outcomes are attained or not framed by the course in-charge. End Semester Examination is more focused on attainment of all course outcomes and uses descriptive questions.

**Indirect Method:**

At college level evaluation of attainment of Programme Outcomes, Programme Specific Outcomes and Course Outcomes is done through indirect method like collecting feedback from the students, alumni and employers. Those feedback forms are analyzed and evaluated by the IQAC and suitable actions are taken. From these feedback forms this becomes much easy to know about the attainment of POs, PSOs and COs. For each course, the level of attainment of each POs, PSOs and COs is compared with the predefined targets, and if needed, the course coordinator takes necessary steps for the improvement to reach the target.
