Professional Development Programme

A holistic programme that understands your people..

EXECUTIVE SUMMARY

Purpose

The primary purpose of this engagement is to build a confident, contributing, courageous and professional mindset amongst the students.

Our Philosophy towards this project

We look forward to holistic solutions through our offerings. The challenges discussed in the meetings with Prof Aparna Mahajan seem to be about Soft Skills and Communication at the surface. However in a deeper sense these challenges root in the mindset and attitude of an individual. Hence our programme design will target and focus towards the deeper aspects of the mind.

Our team of Subject Matter Experts, Content Developers and Certified Trainers will work together on this project to make it scientific and helpful for the growth of your students.

Target Audience

Total Batch Size:	As per the Classroom (2 Classrooms)
Industry:	Academic / College
Location:	Chakan, Pune
Domains and Designations:	Not Applicable
Average Age:	20 Years
Language Preference:	Marathi
Participant Background:	Rural - Urban Mix

Duration

5 Days x 4 Hours Programme (2 Hours Interactive Lecture + 2 Hours Practical / Experiential Session)
6th Day Session in the format of 'Corporate Kirtan'

Tentative Programme Outline:

DAY 1: SUCCESS AND GOAL SETTING

The kids have reached a crucial phase of their lives and have to decide their path accordingly. So, we will talk about life Success and How to set goals, SMART goals and SWOT.

The faculty has the responsibility to create a sense of seriousness amongst the crowd with their expertise and skills. This will be the base of the entire programme and make the students want to attend the entire event.

Professional Development Programme

A holistic programme that understands your people..

DAY 2: TEAM BUILDING

Success comes not by staying aloof from people. At every stage of struggle there are people involved not just at workplaces but also everywhere else so this module will not just involve team building but also understanding people from different walks of life. (These are college students, so let's help them with not just office teams but collectively with people.)

DAY 3: COMMUNICATION

People don't come without brains and brains means ideas and ideas means communication. So how do we communicate effectively with people will be involved in this module. Interview skills can also be talked here.

DAY 4: TIME MANAGEMENT

Because prioritizing people and Work is a hustle which requires smart time management.

DAY 5: CONCENTRATION AND MOBILE ADDICTION

Concentration is required in day to day life of a student as well as a working professional. How to concentrate on studies and work. How to be in the moment when and contribute more. How technology is a help but also a barrier in our path towards becoming successful. Difference between addiction and smart use of technology (mobile).

DAY 6: KIRTAN

Kirtan is a traditional folk art form of India that has evolved over thousands of years. Students will be addressed through this traditional format on conventional subjects in a unique style. The Kirtan will have references from Sant Tukaram Maharaj Abhang Gatha and will evolve around the stories and case studies of people that the students see and admire around them in their current world of reality.

Subject For The Kirtan: "The Secret to Build a Great Career?"

Basic References: Sant Tukaram Maharaj Abhang Gatha

Training Methodologies:

- Interactive Lectures
- Live Case Studies
- Experiential Learning Activities
- Storytelling and Role Plays
- Videos and Presentations
- Group Discussions and Facilitation
