CHAKAN SHIKSHAN MANDAL'S
ARTS AND COMMERCE COLLEGE CHAKAN
INTELLECTUAL PROPERTY RIGHTS CELL

The Intellectual Property Rights Cell (IPR) has been functioning in our college since July 2021. The IPR is important for higher education institutions, as it protects the Intellectual Property (IP) of stakeholders created through research and development.

The purpose behind the establishment of IPR in our Institute is to create awareness about Intellectual property rights (IPR) among faculty and students of the college. Similarly the aim of the IPR Cell is to facilitate, encourage, promote and safeguard scientific inquiry, research pursuits and the academic freedom of its faculty, researchers and students.

In collaboration with the IQAC, the IPR Cell organizes various awareness programs such as guest lecture, workshop etc. for both the staff and students of the college.
